

Scholarships

Conditions

To be considered for our Scholarships you have to:

- ◆ First, submit your application to ISEG MBA;
- ◆ Write an essay approaching your previous/current work on the scholarships' themes and/or on your viewpoint on these subjects (maximum 500 words);
- ◆ Write a personal statement (maximum 300 words);
- ◆ Submit the Scholarship form;
- ◆ You can apply for both themes but will only be able to receive one scholarship;
- ◆ The recipients will be nominated by a selection committee, including the ISEG MBA Executive Director, one representative from ISEG Executive Education, and one representative from the sponsor;
- ◆ The scholarship will be granted subject to acceptance into the programme;
- ◆ The Committee will consider the academic and professional achievements and merit distinctions received;
- ◆ These scholarships go up to 20% of the full tuition;
- ◆ Applications until July 31st.

Evaluation Criteria

◆ Sustainability and Governance Scholarship

The candidate's application should:

- 1 | Demonstrate corporate governance and ethical values;
- 2 | Potential to influence and advise communities and organizations to develop more sustainable businesses;
- 3 | Potential to promote change in the company and/or in society in general;

◆ Digital Transformation Scholarship

The candidate's application should:

- 1 | Potential to promote digital transformation in the company and/or in society in general;
- 2 | Demonstrate a forward-thinking perspective on technology and its impact on organizations and communities.
